# TruWest® Credit Union Supports MCC Supporting Students

by Mike Hunter

TruWest Credit Union strengthened its longstanding partnership with Mesa Community College and support of students participating in its First Year Experience program with a recent \$40,000 grant that covers tuition and fees for approximately 50 students and funds student leadership opportunities through stipends for FYE ambassadors for the 2022-2023 academic year, and in-kind programs that include financial literacy workshops for the students and their parents led by TruWest professionals.

Since 2019, TruWest Credit Union has provided \$135,600 in grants to the Mesa Community College First Year Experience program, supporting more than 235 FYE participants.
