[Arizona Brewery Tours](#) takes all the work out of exploring Mesa's craft brewing scene. Groups cruise the town in the comfort of a 15-passenger bus as they tour locally owned and operated breweries. Tours are offered Friday through Sunday, as well as a special "barrel-aged" day on Wednesday. Cheers!

As the state where Pluto was first discovered, visitors would be remiss if they missed out on a chance to get an unforgettable view of the night sky over Mesa. The **Mesa Community College Planetarium** is open to school and public groups, as well as on Astronomy Night. Held on the first Friday of the month, Astronomy Night features planetarium shows and telescope viewing.
