Tribune |

NASA's Destination Station: Experiences in Orbit - Astronaut Cady Coleman, pictured, discusses her experience onboard the International Space Station and the research she conducted there. She will be available for autographs and pictures after the presentation. The planetarium will also be showing a special about the International Space Station throughout the evening. Registration is required at <http://tinyurl.com/nasatalk2>.

DETAILS >> 7 p.m. Thursday, Feb. 28. In the event tent on the east side of Mesa Community College campus, 1833 W. Southern Ave. Free. (480) 461-7000 or <http://tinyurl.com/nasatalk2>.
