CAMPAIGN NEARS GOAL; FINAL PUSH IS NEEDED TO CLOSE GAP

With just a few weeks left in the 2013-14 pledge campaign, Mesa United Way leaders are praising the individuals and companies that are the backbone of the effort while challenging the entire community to fill the remaining gap.

"We set a goal of \$3 million after meeting last year's goal of \$2,850,000 because needs always exceed what we can raise," said Dan Wollam, Mesa United Way's president and CEO. "Many people in our community are struggling to get by, and even many of those who are able to give are on tight budgets. Whatever you are able to give, we urge you to step up and help fill the Community Chest."

The Community Chest is Mesa United Way's main fund that helps support 46 programs throughout Mesa that serve people of all ages. They are administered by 28 carefully chosen partner agencies, including Save the Family, Boys and Girls Clubs, YMCA, East Valley Adult Resources, Foundation for Blind Children, Marc Community Resources, Salvation Army, A New Leaf, Paz de Cristo, Sunshine Acres Children's Home and many more.

During MUW's annual campaign finale luncheon last week, Wollam reported that the drive is still about \$360,000 short of the goal. The campaign ends June 30.

"Giving to the Community Chest is the simplest and easiest way to help make Mesa a better place by helping those who need our help," Wollam said. "We make sure every dollar makes a difference."
