Mesa Community College's dental-hygiene program is looking for patients who have not received dental-hygiene care in at least three years to help students meet a requirement for challenging cases.

The students will conduct complimentary oral-health screenings from 9 a.m. to 1 p.m. Saturday, Sept. 21, at the Arizona School of Dentistry and Oral Health, 5855 E. Still Circle. Register: 480-248-8195.

Participants must agree to a full set of X-rays and can buy a copy for \$20. Although the screening is complementary, patients selected for the program will be charged.
