## Education

Continued From Page 10

Center, 200 N. Center St., according to a press release.

Discover the world of educational choices awaiting your child after high school graduation. Eighth- and 10th-grade students and their parents are invited to the second annual explore what's in store.

Students and parents can investigate majors and programs by career cluster, talk with faculty members for information, and participate in hands-on activities.

Teachers will be there to help you and to represent Mesa Public Schools, the East Valley Institute of Technology, Mesa Community College, Arizona State University and other post-secondary institutions.
