2015 Special Recognition:

Mesa Community College's 50th Anniversary!

Mesa Community College (MCC) is honored to be recognized by the Mesa Chamber of Commerce as we celebrate our 50th Birthday.

From the 1960s to present day, our college has been part of the fabric of the city of Mesa and the Southeast Valley. MCC has grown with the city and surrounding areas, now bustling with nearly 500,000 residents, Mesa is the third-largest city in Arizona.

Thousands of students have charted their path to success over the last half a century. The college has grown from 330 students who enrolled for the first semester in 1963 to more than 40,000 learners annually. MCC is dedicated to strengthening communities through excellence in education.
