Mesa Community College's Act I Musical Productions will present Mel Brooks' "The Producers" next month at its campus at Southern Avenue and Dobson Road.

Based on the hit 1968 film of the same name, the musical is built around a washed-up Broadway producer and his mild-mannered accountant, who scheme to get rich quick by producing the most notorious flop in the history of show business.

Showtimes are 7:30 p.m. Thursday, Oct. 10, through Saturday, Oct. 12 and Thursday, Oct. 17, through Saturday, Oct. 19.

Tickets: 480-461-7172 or www.ezticketlive.com/mcc.

The actors include Jere Van Patten as producer Max Bialystock, Jesse Thomas Foster as the accountant and Megan Farinella as Ulla.
