The Week in Review

Tribune Staff Report Feb 17, 2017

EV nursing programs among the best in Arizona

Registerednursing.org has selected the 10 best RN programs in Arizona, and two schools in the East Valley ranked high.

Mesa Community College's program ranked No. 1 on the list. The website called MCC "both rigorous and flexible in accommodating nursing students."
Chandler-Gilbert Community College's program ranked No. 8.

The website reviewed schools that offer an Associate in Nursing (ADN/ASN), BSN, or Direct-Entry MSN degree.
